Dear Parents/Carers

We are now in the final weeks of the Summer Term and have some exciting things to look forward to over the coming weeks. In May we celebrated 'World Bee Day' where the children engaged in creative activities and learned all about what bee's do for our environment.

We explored Eurovision and looked at all the different countries in Europe and their styles of music; we even took part in our own Eurovision Song Contest! We also celebrated International Nurses Day and the amazing work they do by inviting the children to come dressed a nurse and participate in activities throughout the day. We have enjoyed some beautiful May sunshine which enabled us to have lots of outdoor water play which has been so much fun!

School Readiness Packs for Orange Room

We have now sent home some Home Learning packs for Orange room; these are just to support with school readiness for the children and a bit of information for parents to help you adjust to their transition to school. There is no pressure for them to complete all the activities, if they enjoy it embrace it!

Welcome

We would like to welcome **Angel**, **Sophie O** & **Sophie A** to the Rising Stars Team. **Angel** & **Sophie O** are our apprentices and will be supporting across all rooms in the nursery gaining their experience whilst they complete their Level 3 qualification. Both girls have already made such an impact on the children and are a welcome addition to our team!

Sophie A will be working alongside Paula & Shelly in Cherry room. She is Level 3 qualified and over 4 years of experience in Early Years. She worked at her previous setting for 4 and a half years and luckily for us decided she wanted a new challenge and progression opportunities. Sophie has brought lots of fun and energy with her and we are so happy to welcome her to the Rising Stars family.

Dates for your diary

Monday 8th June – World Oceans Day

What's your favourite animal from the ocean? Why don't you come to nursery dressed as this to show us! We will be learning about all the different oceans in the world and the importance of them all

W/C 15th June- World Cup

To celebrate England's first World Cup game against Croatia the children will be making lots of England/Football themed crafts. We will also be looking at all the different countries around the world that are in the tournament and having some mini football matches in the garden.

The children are welcome to wear football Kits/Red & White throughout the World Cup.

Friday 19th June – FUDGE Day

During the week the children will be making cards and gifts for all the special fatherly figures in their lives.

All fatherly figures are invited to join us on Friday 19th June at 3pm for an afternoon tea & games with the children. (memo to follow)

Please confirm attendance with management.

Friday 19th June – Summer Solstice & World Music Day

The children will be exploring all different types of music from around the world and showcasing their dance moves in a Rising Stars Dance off!

Wednesday 24th June – Splash day!

Please bring in suitable clothing for your children to take part in an exciting day filled with water play and fun!

Take a look at what we got up to in May.....

Please note:

- Please leave us a review on daynurseries.co.uk
- We kindly ask that you arrive on time to collect your children from their morning/afternoon nursery sessions; morning session children need to be collected by 1pm and afternoon session children by 6pm.
- Please can we provide sun hats for the children as the warmer weather is now here; if your child requires a specific sun cream, please also provide a named cream in their bag.
