

October

Monday 5th October – Harvest festival

As part of the Harvest festival tradition, we are asking for donations of tinned foods, dried foods, beverages and vegetarian/vegan proteins. We will then take the children to the local food bank, so we can donate to those in need. If you are able to help with anything, no matter how big or small, it would be greatly appreciated.

W/C 12th October – World Space week

We would love all parents to be involved in making models of planets to bring to nursery! A prize will be given for the best planet. We will be filling the children's mind with the most amazing space facts.

Friday 16th October – World food day

The children will be exploring, tasting and making foods from around the world! If you have any traditional recipes that we can try with the children, please send them in to the nursery.

W/C 26th October – Spooky week/Halloween

Spooky week will mean everyone is welcome to express their best spooky selves with fancy dress costumes! We will be taking part in a huge range of spooky arts and crafts as well as pumpkin carving. We will be hosting our annual pumpkin carving competition, as this lands in half term this year, all entries to be in by Friday 23rd October so that the winner can be revealed on Halloween.

Down syndrome awareness month

All children are invited to wear Blue and Yellow throughout the month.

Black history month

The children will be taught about and will be celebrating amazing black men and women that are present today and throughout history!
